

LG40 LCD HDTV (Size: 32-inch) – The LG40’s stylish design, color accent and built-in DVD player makes it the ideal HDTV for secondary rooms such as bedrooms and home offices. Balanced on a curved pedestal, the 32-inch LCD features a side vacuum-loading DVD player. Its red back accent is visible from the front creating an elegant and refined look. Other features include:

- 12:000:1 Dynamic Contrast Ratio
- Three HDMI 1.3 with Deep Color
- Content-specific AV modes that automatically tailor settings for movies, sports or games
- Clear Voice technology to enhance dialogue when background noise swells
- LG SimpLink™ connectivity to control other LG SimpLink-compatible equipment
